YAMATE

My throat's burning...

That's some strong poison she gave me...

It was a good thing I was upside down when she moved me in the locker.

The worst thing I can do is keep the poison in one place and let it get to my internal organs.

But on the other hand, if I spit it out, I might suffocate.

She really tried to kill me!

That bitch!

KYAAH!

It's early in the morning. There's no one around.

But if this keeps going, I'm gonna collapse.

Tap Tap

The first thing to do when you take poison is to keep yourself upside-down.

...

Oh~, it's you, Mr. Yagi -uda! What's wrong with you?

Eiji MILK

Good morning, Ms. Ma -dame.

Nice, Madam!

MILK Eiji

Milk will protect my stomach wall and detoxify it!

Excuse me, but...

What? This?

Can you give me that milk?

Oh my God, that's scary!

Without it, I'm going to have to stand on my head for the rest of the day, and I might die!

Oh, no...! I want to drink it like this.

You don't have to make such a big deal about it, just ask for a drink and I'll give it to you. Can I help you stand up?

There are times when you just want to drink milk right out of the package.

I've lived 50 years...

What do you mean?

I'm coming...

Wait for me, Sanda...

This field trip is deadly.

Got it?

I've never walked to the station before.

...That first rule...Did she just show us her middle finger?

You have to keep this promise.

She just hates kids...

I wonder what it's like...

One, never make eye contact with any passerby outside.

Two, if you're ever attacked, don't try to fight, just run.

Three, never stray from the group.

It's creepy! They're all smiling at us!

It's much more peaceful than I thought! I'm so relieved!

Well, it's rare alright...

They do that because kids are so rare.

They're all oldies.

Don't make eye contact.

It's in worse shape than I thought.

The population's down a third from a hundred years ago, and two-thirds of the buildings are abandoned.

Ah, Tonkai!

You're still as alert as an old castle, Amaya!

...Doesn't look that bad, but...

Everyone in my class is bored, so I just wanted to join you guys.

Alright.

You're in another class, right?

No matter how much you hate kids, you can't help but smile when you see them.

I kind of know what they feel.

The adult feeling of wanting to care for them...

The wish for kids to depend on them.

The sadness when kids actually don't do that.

I don't like To-nakai...

I'm enough of a support for Santa.

Don't grow up so fast, Fuyumura.

Is Santa no longer a good thing for you?

Ain't this is the wrong train?

Santa... Why don't you pay any attention to me at all?

You need a reindeer, don't you?

WHAT!?

Hey, aren't we on the wrong train?

HAAA?

Miss, Sanda, Amaya, and Ofuyu are missing.

Mean -while.

Just get off and turn around.

What do we do now!?

Starts pani- cking

BAM

THIS IS AN EXPRESS TRAIN!

How long have I been lost in thought!?

Shin -Juku

It's been a while since the last time a child was on board.

Oh, dear.

But... But this train is going to...

Ah, sorry for being so loud...

You're so cute, let me give you some candy...

THE MOST DANGER-OUS SLUM...

TOKYO STATION!

Can I have your eyeball?

Sanda!
Your
Jersey!

...

CLENCH

Did you see how I handled that jersey?

Thank you, Amaya!

STAND

We have to ride it out until this train stops...

Yeah, yeah, yeah! I'm sick and tired of your little lecture.

Now I know why, Sanda...

They weren't smiling...They just reek of greed.

RUSTLE

Let Santa and his reindeer handle this.
